15<sup>th</sup> games of  
the small states of europe

Montenegro for the first time in Luxembourg  
19 - 01 - 2012

Since 2009, there are not eight but nine small European states to be competing in the GSSE. Montenegro, the last to enter the competition, will then for the first time visit Luxembourg, unlike other countries which were already present in the Grand-Duchy in 1995.
